If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

The statement must enumerate the steps taken to ensure timely payment of the maintenance fee, the date and the manner in which the patentee became aware of the expiration of the patent, and the steps taken to file the petition promptly.

OFFICE OF PETITIONS

My name is Paul Corrado and I own the Patent numbered # 5731655 Application No. 08/614,212. I would like a chance at reinstating my patent. I unavoidably could not pay the fees in March because of financial responsibility with my mortgage and taxes on the house including living expenses. March is a bad time because taxes are due on the house and it is after the holidays. Please help me reinstate my patent and avoid the penalties. I will soon start up a small business selling this product and do need my patent protection. I really hope you can help me. I had spent so much money through the years on this patent including research and development on this spark plug. You can go to [www.sparkforce360.com](http://www.sparkforce360.com) for more information on the project. I have not been selling yet, but have started to work towards putting this together, and then with some help reinstating the patent again, I can move forward. Please see the attached paperwork of the bills and copies at the time the fees were due. I had no extra money to pay the fees because of all my bills were due.

THANK YOU: PAUL A. CORRADO
